What's Happening

What a wonderful first month of school it has been. Resource classes are in full swing and we have had our first chapel of the school year. Everyone is settling into their new routines. We are looking forward to lots of fun fall activities and the excitement of upcoming field trips!

Community Helpers

This month is full of exciting events for our Pre-K students. All month long we will be learning about community helpers and seeing different ways the people around us help and take care of us. We have some exciting things planned for the children to help them learn more and understand better about people that we see every day who help to make a difference in our community.

Pre-K Service Opportunities

The Pre-K here at TCS strives to help our students gain an awareness of needs within our community and abroad by allowing them to participate in several missions and community projects throughout the school year.

All of our Pre-K classes will be involved in some type of community service project this year, as well as preschool-wide mission projects. Each year our Pre-K has the opportunity to participate in Operation Christmas Child to help share the love of Jesus with millions of children all over the world. We will be sending home information about Operation Christmas Child later this month.

Teddy Bear Brigade

This will be our first missions project this year, allowing us to partner with the local organization Gleaning For The World. Specific information about this special project is being sent home by the teachers.

Saturday, November 9, is our Pre-K Fall Festival & Bazaar!

We need your help to make this event a success! Our Pre-K students will also be singing a couple of songs for our shoppers that morning! You may contact me at kwerner@tcs4u.org with any questions. Thank you and we are looking forward to a wonderful, fun, fundraising event!!

REMINDER:

TCS does not recognize or promote Halloween, so children should not wear Halloween shirts or their costumes to school. Thank you for your cooperation.
