What's Happening

Welcome to Pre-K!

It is a pleasure to have your family with us this year. We are looking forward to an exciting year together.

We would also like to welcome our new Pre-K staff:

Mrs. Weidman—Administrative Assistant

Mrs. Becker - Resource Teacher

Miss DiLuccio—Teacher

Mrs. Newcombe—Teacher

Mrs. Walker—Teacher

We are blessed to have these ladies with us and they are excited to partner alongside of our staff and you, the parents, in educating and discipling your child.

The teachers are diligently planning special things for the children to explore and learn as this new school year begins. Resource classes have begun and chapel will begin soon as well.

Parent/Teacher Conferences

Parent/Teacher conferences will be held on Tuesday, September 26th. I would like to encourage every parent to schedule a time to meet with your child's teacher on this day. You may schedule a conference time by calling the school office. This is a great time to touch base with the teacher to see how your child is progressing so far this school year and to ask any questions you may have.

Thank you for entrusting your child/children to us, we count it a privilege and a blessing to help them explore, learn, and grow. We are looking forward to a fantastic year together!

Communication

I will be communicating in a couple of ways to you this school year. One will be through FACTS, our parent alert system (emails and/or texting). If you are not receiving the FACTS emails on behalf of myself (Karla Werner), Beth Mears, Holly Weidman, or Mary Mackie please let me know ASAP. The other method is through our Pre-K website www.tcsprek.org. Once you are on the Pre-K page, just click "Parent Information". You will find other monthly Pre-K information on the parent information page as well.

Please make note of the specific days on the school calendar when Half Day Pre-K only is closed. If the calendar specifies No School Half Day Pre-K, then Full Day students may still come. If the calendar does not specify and just says NO SCHOOL, then school is closed for all Pre-K students, as well as the rest of the school.
